Complete Streets are designed and operated to enable safe access for all users. Instead of fighting for better streets block by block, the National Complete Streets Coalition seeks to fundamentally transform the look, feel, and function of the roads and streets in our community, by changing the way most roads are planned, designed, and constructed. Complete street policies direct transportation planners and engineers to consistently design with all users in mind, in line with the elements of Complete Streets policies.

The next meeting is scheduled for Tuesday, October 20, 2009, at 8:00 AM in the Eli Mack Room at the Lexington Municipal Complex, 111 Maiden Lane, Lexington, SC.

Adjournment: The meeting was adjourned on a motion by Larry Yon, seconded by Dan Walker with unanimous approval by members present.

Respectfully submitted by Karen Hanner, Secretary.
