Town of Lexington wins Municipal Association Award

The Town of Lexington is the proud recipient of the 2010 Municipal Achievement Award, hosted by the Municipal Association of SC, for towns with a population of 10,000 to 20,000. The Town won for its new Willie B. Caractor Park. The project was completed with one of the first public/private partnerships which included the Town of Lexington, Golden State Foods Foundation, Lexington Medical Center and other donations. Willie B. Caractor park is located on a lot seized in 2001 for illegal activity and through these partnerships, a place of blight and crime was turned into a positive asset for a community. The park includes a playground, picnic shelters, trees, plants, lighting, fencing, fountain and spray fountain.
