Mayor's Message by Steve MacDougall

Spring has sprung in the Town of Lexington! With the warmer weather here to stay, our calendars will fill with activities and events.

This month the Town is collaborating with the Lexington County Recreation and Aging Commission to host the Sixth Annual Flashlight Easter Egg Hunt & Carnival in the Park. The event will take place at Gibson Road Soccer Complex (104 Duffie Drive) from 6:00pm - 8:30pm for ages 0-10, along with an all ages special needs field. Tickets are \$5 for each person. For more information and to purchase tickets visit www.lcrac.com.

Additionally, the Town is celebrating March for Meals month with the Lexington County Recreation and Aging Commission. We hosted a campaign kick-off at the Icehouse Amphitheater and there will be several Meals on Wheels fundraising events throughout the month including: Pancake Fundraiser on Saturday, March 4 from 8am - 10am at Fatz Cafe (942 East Main St.) and a Zumbathon fundraiser on Saturday, March 11 from 10am - 12pm at the Lexington Leisure Center 108 Park Rd.).

Finally, I will be helping deliver meals to our senior community as part of Community Champions Week (March 20-24). For more information on March for Meals events, volunteer opportunities or ways that you or your business can be a part of the celebration visit www.lcrac.com or contact 803-356-5111.

We hope to see you out and about at these and other wonderful events throughout the month!

Trash and Recycling New Collection Schedule

The Town of Lexington will be going back to FIVE days-a-week collections, thus eliminating town-wide collection on Tuesday's.

Advanced Disposal will provide flyers to residents the first week of March, with details on your new collection day.

For more information regarding new scheduling changes or any collection issues, contact the Parks and Sanitation Department at 803-359-1027.
