Mayor's Message by Steve MacDougall

The Lexington Police Department is one of the finest public safety agencies in the state. Council and I are extremely proud of the men and women that serve on our police force and their continued commitment to making the Town of Lexington a safer community for our citizens.

In addition to their daily tasks, the police department strives to provide community events for the entire family. This month, they will host their signature event, Fall Festival. Proceeds from the event go towards the "Adopt-A-Cop" Program, which helps purchase additional equipment for the department and officers.

In addition to Fall Fest, the Police Department's Community Action Team host various programs throughout the year including Citizen's Academy, National Night Out, Special Needs Community Day, R.A.D. Self Defense Course, Drive-Thru Car Seat Safety Checks, Coffee with a Cop, Fan Donation Program and Toys for Tots Donation Program.

As you can, the Town of Lexington works hard to provide our citizens the highest quality of life through public safety.

We hope to see you out and about this fall and encourage you to donate to the "Adopt-a-Cop" Program or other charitable organizations that make a difference in the community.

Lexington Police Department's Fall Fest
